Subject: Regulation of Retail Forex

Hello,

I'm emailing in regards to my dislike of the proposed changes in the leverage of retail forex **RIN 3038-AC61**. I trade forex because I don't have to tie up my capital which can be better served making me money elsewhere. This helps me to diversify with less capital and in turn I generate more income. This would be a terrible blow to my income since I haven't been able to work the last 8 years. Forex trading has been my primary source of income.
